

SUZAN MANSURI

Web Developer | Frontend Developer

+91 7862921013 • suzanmansuri0000@gmail.com • [linkedin](#) • [github](#) • Vadodara, Gujarat

Summary

Dedicated and meticulous frontend developer with experience in creating contemporary, responsive, and interactive web applications. Experienced in React.js, Next.js, Tailwind CSS, and TypeScript, with a solid grasp of UI/UX concepts. Proficient in creating dynamic user interfaces, performance optimization, and real-time feature integration. Experienced in full-stack development using MERN stack and Firebase. Demonstrated capability to lead and work in team-based projects, such as hackathons and academic projects. Currently building experience in Framer Motion for animations and regularly improving design taste. Passionate about providing smooth, interactive web experiences while being current with new technologies.
